

UPHOLSTERY & MATTRESS CLEANING

Effective for dirt and odour removal, cleaning your sofas and mattresses has never been simpler.

DEEP CLEANING FOR HOMES

Underneath your bathroom sink, behind the lower drawers in your kitchen, inside your bed-storage, and on top of those hard-to-reach shelves... A comprehensive cleaning service for your home interiors.

CARPET/RUG CLEANING

Wet extraction cleaning for rugs and carpets at affordable prices. Pickup and drop service too.

KITCHEN DEEP CLEANING

A bright and clean kitchen environment is every chef's dream. We deliver this dream.

MATTRESS SANITIZATION

Sanitization using HEPA Vacuuming, UVC and Steam. Healthy sleep awaits.

MOLD & MILDEW REMOVAL

Certainly 'ew!', and seldom 'mild'... fighting off mold and mildew can easily turn living at home into a scene from a horror movie. Equipped with the correct tools and techniques, we will fight this war for you and win.

COMMERCIAL DEEP CLEANING

Customers subconsciously trust a clean business more, while employees love working in a clean environment, consciously. So, If your place of business needs a bath, we'll bring the suds.

PRESSURE WASHING

Blastin' dirt! Admittedly, this is one of the most satisfying services that we provide. Let us wash those slippery drive-ways and mossy compound walls to give your premise a renewed look, ready for the sunshine.
